

U.S. Patent Application Serial No. 10/025,587
Amendment dated July 15, 2004
Reply to Office Action of April 19, 2004

AMENDMENT TO THE SPECIFICATION:

Replace the paragraph beginning at line 6, page 1, with the following rewritten paragraph:

The present invention relates to a structure for expanding and contracting a waist part of articles of clothing including pants, culottes, skirt, etc. of a type having waist pockets.
